Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

Non-responsive Amendment

1. The reply filed on September 4, 2008 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): Amended claims should have all text regarding amended or changed subject matter shown by underlining and deleted text shown by striking through the removed language.
2. For instance, Claim 23 amended the "morpholinoethane" however applicant failed to show this change with the crossing out of the previous word, and underlining of the amended and newly added word. Furthermore, the previous claim 23 has many words not found in the amended claim 23, these words have not been properly omitted by the designated marking. Furthermore, claim 26 has not been amended properly.
3. Thus claims 23-28 should be identified appropriately to include the appropriate marking associated with the amended and/or removed claim language. See MPEP § 714.02 and § 2163.06.
4. Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ja-Na Hines whose telephone number is 571-272-0859. The examiner can normally be reached Monday thru Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor Robert Mondesi, can be reached on 571-272-0956. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
